

FRESHWATER RIVER & LAKE

SPORTSMAN

16 :: 18 :: 20

Family-Friendly Fun.

You have enough to pay attention to when you take your family fishing. That's why we created the Sportsman to make it easy to enjoy the lakes and rivers of the Pacific Northwest. No other boat in its class can match the Sportsman's combination of strength, safety, economy, and ease-of-use. All-welded aluminum construction gives the Sportsman ten times the hull strength while remaining much lighter than a comparable fiberglass boat. High sides and an exclusive gunwale flotation system ensure maximum safety for families on the water, while its size and weight make the Sportsman easy to tow, easy to store, and easy on your wallet.

Our Best Selling Boat.

Strength, safety, economy, and ease of use are all reasons why the Sportsman has been our number one selling boat for more than a decade. With the Sportsman's internal superstructure providing a light, strong hull and the bow design giving it a clean, streamlined look, it's easy to see why the Sportsman is so popular.
