

LODGE & PRO LODGE 160/161

Full Length Tackle Trays

Standard Bow Storage

Storage Box Seats w/ Hatch
(Pro Series)

Giant Pro Lodge Livewell

The Ultimate Open Boat.

When the Lodge Series was introduced there was nothing like it on the market. There still isn't. With exceptionally large dimensions, this all-welded open V-Hull is a marvel of boating technology. Solid, sure, complete and fully-engineered, the Lodge Series starts with an exclusive 10° bottom vee that lifts easily and tames bone-jarring chop. Wide, deep, stable and secure, the Lodge defines excellence in an open boat design. Beyond its impressive size lies the real beauty of this series...its impressive list of features. Full length tackle trays; a saddle-cut transom; storage box seating; rod storage; and bow storage are all standard. The Pro Lodge Series has further enhancements like a livewell; upgraded seats; two tone paint; and built-in fuel tank. If you're looking to take your fishing to the "ultimate" level...the Lodge Series is built to deliver the ultimate open boating experience.
